THE SPHEREOTYPE.

The state and by far the most important improvement in Photography is the recently extended picture known as the SPHEREOTYPE, which is not only new and unlike any of its predecisers, but greatly su-perior to all. The Sphereotype is proof against TIME, arm and water, and for richness of tone, warmshies expression and distinctness has to equal—in fact the il-lusion is such that the picture, or image, seems suspend-ed in air, entirely independent of the back ground

Por his picture we have the exclusive right for Mem-phis Specimens can be seen in our Gallery, where pic-tures are also taken in the various style by our Artist, PROF. REMINGTON, who combines the Chemist with the Artist, which embies him at all times to produce superior Pictures.
